Bad

Leon Thomas III

Age ain't nothin
You ain't seen nothin
Girl I know I'm young but I can teach you somethin
I ain't tryna rush it
And no I ain't just crushin
But girl I'm tryna lock you down down, straight cuffin

Ooh you bad
Ooh you bad

I'm tryna tell you that I'm young but I'm ready
You just gotta let me show me how them young boys do
You don't want a man that presses I don't think you get it
Baby all I want is you

Ooh you bad
Ooh you bad
And I want you to be mine girl

Anything you want
I can get you that
I be workin out on my pocket sweat
Where you wanna go
I can get you there
Anywhere you are
Girl I'll be right there

Ooh you bad
Ooh you bad

I'm tryna tell you that I'm young but I'm ready
You just gotta let me show me how them young boys do
You don't want a man that presses I don't think you get it
Baby all I want is you

Ooh you bad
Ooh you bad
And I want you to be mine girl
