

# Blue Hundreds

Leon Thomas III

Yeah, I get down like the rising sun  
I got old money so the night is young

Blue hundreds, I got blue hundreds  
We don't like trouble but we don't run from it  
Blue hundreds, I got blue hundreds  
We don't like trouble but we don't run from it

We don't like trouble but we don't run from it  
We don't like trouble but we don't run from it, woah  
Ooh  
We don't run from it, we don't run from it

Too smooth, too slick  
Too true to this pimp shit

Blue hundreds, I got blue hundreds  
We don't like trouble but we don't run from it  
Blue hundreds, I got blue hundreds  
We don't like trouble but we don't run from it  
We don't run from it  
We don't run from it (Woah)

Too smooth, too slick  
Too true to this pimp shit

Blue hundreds, I got blue hundreds  
We don't like trouble but we don't run from it  
Blue hundreds, I got blue hundreds  
We don't like trouble but we don't run from it  
We don't run from it  
We don't run from it (Woah)
