

Feel Alive

Leon Thomas III

Sounds of the morning tide
Crashing on the shore
As I want you more
Sheets hold us down for warmth
Honey dripping down, I swarm
Swimming underneath your storm

Ooh-ooh
I've been waiting on you, yeah
Ooh-ooh
Patience is a virtue
Ooh

Feel
Feel me
Feel alive
Through the night
Feel alive (Hey, hey)
Baby (Hey, yeah)
Feel alive
Oh, woah-oh
Yeah, yeah

You don't gotta miss me when I'm gone, just tell me now
I like to get high, so let downs won't get me so down
Take my money, baby, take my money, I insist
Take my money if it buys me everything I miss
Take me away from all my troubles
I don't wanna live a life this subtle
Need to feel alive again, need to feel alive
Don't have to try again, don't have to try

Feel
Feel me
Feel alive
Through the night
Feel alive (Hey, hey)
Baby (Hey, yeah)
Feel alive
Oh, woah-oh
Yeah, yeah
