

I DO

Leon Thomas III

Gave you a thousand reasons to leave
But you'd always find one to stay, oh
Sometimes, it's hard to believe
That God really sent you my way, yeah
And if the pastor ever ask, I do?
Oh, I, I do, I do, I do
'Cause after all the things I've been through
I can't ask for much more than true
Unlearning everything that I knew
Now, I know God took his time on you
Oh, oh-oh
Oh, I do, yeah, I do, oh, I do
Oh, I do, oh, I do, oh, I do
Oh, I do

Eyes like that should never be filled with tears
Lies don't deserve you, cover your ears
I won't desert you, you'll see what you hear
God and losing you are the only two things I fear
Kiss you in the moment
Seconds turn to minutes first, then minutes turn to hours
How did all this time get passed?
But before I'm outta time with you, I flip the hourglass
If I could spend more private time with you, then I'll sell eve
rything I have
Oh, yeah

Gave you a thousand reasons to leave
But you'd always find one to stay, oh
Sometimes, it's hard to believe
That God really sent you my way, yeah
And if the pastor ever ask, I do?
Oh, I, I do, I do, I do
'Cause after all the things I've been through
I can't ask for much more than true
Unlearning everything that I knew
Now, I know God took his time on you
Oh, oh-oh
Oh, I do, oh, I do, oh, I do
Oh, I do, oh, I do, oh, I do
Yeah-yeah
