

## Mrs. Variety

Leon Thomas III

It's in your smile  
It's in your walk  
It's in the way you say my name when you talk  
It's in your moan  
It's in your tone  
You hit them notes like you're singing me a song  
It's no occasion but you're always changing  
It ain't my birthday, you making me my favorite  
Mrs. Variety

Mrs. Variety  
Feels like I'm dating someone different every single week  
It's like you know just how to play to every part of me  
It's like you know just how to cater to my every need

Mrs. Variety

Get you one that can do both  
I got one that can do both

Oh my God (oh my God)  
You're wearing a thong  
Make it clap (make it clap)  
Round of applause  
Lighting up the room when you're taking off your draws  
Ah damn ah-ah-ah  
Can a nigga get a notice?  
Cause you got me losing focus, babe  
You know how to put it on me  
I think I love this song, yeah  
I think I love this song, yeah

Mrs. Variety  
You got me feeling something different every single week  
It's like you know just how to play to every part of me

Tayla Parx

See inside, peek-a-boo

That thing got nine lives, use 'em all on you  
That's right all on you  
Make my love see do  
Ah ah ah ah  
That's right, I do both  
Switch up with that stroke  
Have you ever been with a Virgo?  
First, we go fast  
Then, we go slow  
Powerpuff that, Mojo Jojo  
Shake it when I make the mojo
