

My Will

Leon Thomas III

Damn, I'm losing all of my, my will
Might as well write out my will
Damn, I'm losing all of my, my will
Might as well write out my will
I'm losing my mind, I'm afraid of what you might find
Oh, I
Damn, I'm losing all of my, my will
Might as well write out my will

Oh, oh, oh, oh, oh
My will
Oh, oh, oh, oh, oh
My will
My will
My will
My will

I'ma keep it short, no, I won't take too long
My lawyers kind of shitty, so I'ma write it in a song
Oh, oh, oh, yeah
If I owe you bread, baby, you gonna get that shit back
Just liquidate my assets and take care of all of that
Oh, oh, woah, oh, ah

Please, no cat fights at my funeral
If you think you the only one, there's another you
I guess a sad song would be suitable
But if you could play Wu-Tang, that would be beautiful
Please don't have me dressed up in no corny shit
Stick to the aesthetic and please save my genetics
So maybe in the future there could be another me
That's not so damn apathetic, oh

Damn, I'm losing all of my, my will
Might as well write out my will
Damn, I'm losing all of my, my will
Might as well write out my will
I'm losing my mind, I'm afraid of what you might find
Oh, I
Damn I'm losing all of my, my will
Might as well write out my will

Oh, oh, oh, oh, oh
My will
Oh, oh, oh, oh, oh
My will
My will
My will
