

# Never Look Back

Leon Thomas III

Some say I'm like a broken record,  
Skip, skip right back to the day I met her  
I forget her eyes, same thing  
That gets me every time yeah  
The whole world saying I could do better  
But I can't help but feel she's the best so  
I give her more and more she gives me less so  
I don't know how she got me so attached

Here's my solution,  
I'm goin', I've been losing  
I gotta keep it moving  
Cause right here is not where I'm supposed to be  
I'mma run and I'll never come back Broken heart in my Louis bac  
kpack, broken heart in my Louis Louis  
I'mma run and I'll never come back, back  
Shawty how you do me like that that, this time girl I won't loo  
k back

Don't sweet talk me with the sorries and apologies  
I know you begging me to stay, but I gotta leave  
Can't breathe the same air as you oh  
But your smile, oh your smile  
Makes you tough for me to walk away, but I can't stay

Here's my solution,  
I'm goin', I've been losing  
I gotta keep it moving  
Cause right here is not where I'm supposed to be  
I'mma run and I'll never come back Broken heart in my Louis bac  
kpack, broken heart in my Louis Louis  
I'mma run and I'll never come back, back  
Shawty how you do me like that that, this time girl I won't loo  
k back

If I, I, I turn back I'll turn into stone,  
I'm going away-ay-ay, I'm never coming home  
(yeah) Turning into you, (yeah) turning into you, (yeah) turnin  
g into you, and (yeah) turning into you oh  
(eh) Running into you, (eh) running into you, (eh) risk running  
into you, ooh ooh eh

I'mma run and I'll never come back  
Broken heart in my Louis backpack, broken heart in my Louis Lou  
is  
I'mma run and I'll never come back, back  
Shawty how you do me like that that, this time girl I won't loo  
k back [repeat x2]
