

# Trapped

Leon Thomas III

Yeah, yeah  
Yeah, yeah  
Oh-oh

Who cares what I think  
But I think you're too bad for him  
You settled for life lowkey  
But you was made for big screens  
And magazines  
Oh

Ooh

You walk in the room and draw attention  
And I do think he had the right intentions  
I just think you're too bad for him, bad for him

You gon' end up feeling trapped with him  
Woah, woah, woah  
Woah  
Woah  
Woah  
Trapped with him  
Trapped with him  
Ooh, oh  
Ooh  
Ooh  
You're gon' end up feeling trapped with him  
Trapped with him  
Trapped with him

Oh, all that posting talking, never worked  
On and on, girl, you had me stuck  
Never thought that I'm run out of luck  
Funny how we didn't even get to fuck

You're gon' end up feeling trapped with him  
Trapped with him  
Oh, yeah  
Oh-oh

Oh-oh  
Oh  
Oh-oh-oh  
Ooh-ooh  
Ooh  
Yeah  
Oh yeah, yeah

You're gon' end up feeling trapped with him  
Ooh  
Ooh-ooh
