

Chasing A Feeling

LÉON

You used to drown in my crazy
Just by the touch of your hand
We used to stay up forever
Just to make every moment last
So tell me how we got bitter
I'm not trying to steal all your time
But it's like I'm watching us whither
Wonder if we past the point of trying

I've been saying that I need you but I don't
It's not your fault we're changing
Maybe time just got us both

Maybe we've been chasing a feeling
Maybe it can be like before
Would you tell me if it's over
Cause our bed is getting cold
And I wonder if I'm better alone
How do you know you know?
How can you seem so sure?

You act as if it don't matter
Or maybe you're feeling fine
But lately I'm getting tired
Oh, so tired of your piece of mind

Sometimes I'm saying I don't need you but I don't know
Is it my fault we're changing
Maybe time just got us both

Maybe we've been chasing a feeling
Maybe it can be like before
Would you tell me if it's over
Cause our bed is getting cold
And I wonder if I'm better alone
How do you know you know?
How can you seem so sure?
How do you know you know?
How can you seem so sure?

But if we broke it off
Would I find myself in a bar
Talking bout what I lost
The one that got away
My mind will be on you
If you're out there with somebody new
We're not going back
You always want what you can't have

Maybe we've been chasing a feeling
Maybe we can be like before
Would you tell me if it's over
Cause our bed is getting cold
And all this talk of growing old
It makes me scared of being alone
Maybe if I'm better alone
How do you know you know?

How can you seem so sure?
How do you know?
Like you seem so sure
