

Circles

LÉON

Knowing everything is changing, still I feel the same
Tried to run away but guess I can't escape myself
Running 'round in endless circles, here comes the shame
That empty feeling, what if, darling, I can't change?

And it goes on and on and on and on
I get so high and low
But you're the best, I hope you know
I'm holding on to you
On and on and on and on, I
Leave you in the cold
But in the end I always know
I'm coming back to you
You, to you
To you, oh

I know you're tired, honey, I'm tired too
Oh, how it hurts me, all the things I'll do to you
What if I could do it different? Be this immature
I'd never blame you if you'd walk right out that door

And it goes on and on and on and on
I get so high and low
But you're the best, I hope you know
I'm holding on to you
On and on and on and on
Leave you in the cold
But in the end I always know
I'm coming back to you
You, to you
To you, oh

And in the moment, I think I'm falling
I hear you calling out my name
Although the chances are it'll never be enough, no
I'm holding on for love
You know that I do, I do, I do
