Fade Into A Dream

LÉON

Summer's gone and I can't breathe
Turn around to me before you leave
Teary-eyed but try to smile
Hate you for the way you make me feel

And it's the kind of feeling
That could bring me to my knees
Words I didn't dare to say
What's left for you and me?

And I know
And I know
And I know
You'll fade into a dream

Late nights in a parking lot
Tell me all the secrets that you keep
Underneath the overpass
I'm afraid I'm falling in too deep

And it's the kind of feeling
That could bring me to my knees
Words that are too soon to say
What's left for you and me?

And I know
And I know
And I know
You'll fade into a dream

Oh, some things are never meant to last
Oh, feelings fade, they tend to pass
But oh, I might think of you from time to time

I know
Yes, I know
And I know
Ooh, I know
And I know
Yeah, I know
Ooh, I know
And I know
Yeah, I know
You'll fade into a dream

Summer's gone and I can't breathe
Turn around to me before you leave
