For You

LÉON

I'm all up in these feelings
I can tell that this have changed me
The moments I went crazy
Drank, now it's all hazy
Heard you said you're mine
But that was only in my dreams

Oh, you always had me
But every time, at the end of the night
You found someone, someone new
Someone who could fuck ya better
Every time, at the end of the night
I didn't want you to

Messed up
Baby, you are messed up
Yeah, you
Only you
Special
Tell me, was I special?
For you
Only you

You always kept your distance
(I'm lost)
I guess you had your reasons
(I'm wondering what you're thinking)
Empty conversation
Needed your attention
You are cold as concrete
Now you are only in my dreams

Oh, you always had me (I'm lost)
But every time, at the end of the night
You found someone, someone new
Someone who could fuck ya better (Lost)
Every time, at the end of the night
I didn't want you to

Messed up
Baby, you are messed up
Yeah, you
Only you
Special
Tell me, was I special?
For you
Only you

Try not to forget me
Try not to forget me
Try not to forget me
Try not to forget me
I'm all up in these feelings
I can tell that these have changed me

Messed up
Baby, you are messed up

```
Yeah, you
Only you
Special
Tell me, was I special?
For you
Only you
For you
Only you
```
