Nobody Cares

LÉON

Bright lights, once again
One more try to make you go away, make you fade
Late nights, more mistakes
My mind is oh so tired but I'm wide awake

I get lost, get drunk, too many thoughts
I'm all good when days turn in to dark
Bright lights, once again, once again, once again

(Ahh ahh ahh ahh ooh)
Nobody cares about us
(Ahh ahh ahh ahh ooh)
Guess you don't know that I still do
(Ahh ahh ahh ahh ooh)
Nobody cares about us
Guess you don't know that I still
Guess you don't know that I still do
(Ahh ahh ahh ahh ooh)
Nobody cares about us
(Ahh ahh ahh ahh ooh)
Guess you don't know that I still do
(Ahh ahh ahh ahh ooh)
Nobody cares about us
Guess you don't know that I still
Guess you don't know that I still do

Can't stop, can't go to sleep
I'm still used to have my baby holding me
Come closer one last time
Although it doesn't feel as good cause you ain't mine

I get lost, get drunk, too many thoughts
I'm all good when days turn in to dark
Bright lights, once again, once again, once again

(Ahh ahh ahh ahh ooh)
Nobody cares about us
(Ahh ahh ahh ahh ooh)
Guess you don't know that I still do
(Ahh ahh ahh ahh ooh)
Nobody cares about us
Guess you don't know that I still
Guess you don't know that I still do
(Ahh ahh ahh ahh ooh)
Nobody cares about us
(Ahh ahh ahh ahh ooh)
Guess you don't know that I still do
(Ahh ahh ahh ahh ooh)
Nobody cares about us
Guess you don't know that I still
Guess you don't know that I still do

And I know that there is nothing left to say
But all these memories are getting in my way
Your touch is a sin
It was my everything

```
(Ahh ahh ahh ahh ooh)
Nobody cares about us
(Ahh ahh ahh ahh ooh)
Guess you don't know that I still do
(Ahh ahh ahh ahh ooh)
Nobody cares about us
Guess you don't know that I still
Guess you don't know that I still do
(Ahh ahh ahh ahh ooh)
Nobody cares about us
(Ahh ahh ahh ahh ooh)
Guess you don't know that I still do
(Ahh ahh ahh ahh ooh)
Nobody cares about us
Guess you don't know that I still
Guess you don't know that I still do
```
