

Wildest Dreams

LÉON

You know I never meant to start a fire
I see myself in a different kind of light now
Haunted by you, I'm haunted by all my wildest dreams
Guess that's the price you pay for being free

If I could run, run, run to the height of your love
Just to feel it
I would go down, down, the lowest of lows just to keep it

It's true (Ah!)
And it's more than a feeling
I would go (Now!)
To be there, oh believe me, I would run, run, run 'cause I'm
Haunted by you, I'm haunted by all my wildest dreams tonight

And there's an echo ringing through the wind
You left a mark, I feel it on my skin still
You have your reasons, honey, I know I played my part
Saying goodbye won't change what's in your heart

No it's true (Ah!)
And it's more than a feeling I would go (Now!)
To be there, oh believe me, I would run, run, run 'cause I'm
Haunted by you, I'm haunted by all my wildest dreams tonight

So if there's a way, then show me
Lay your heart upon me
What are you waiting for?

Don't be a cold pretender
One look and I'd surrender
What are we waiting for?

It's true (Ah!)
And it's more than a feeling I'd go (Now!)
To be there, oh believe me, I would run, run, run 'cause I'm
Haunted by you, I'm haunted by all my wildest dreams tonight

Come lay your head upon me
Lay your heart upon me
What are you waiting for?
