Someone once told me That you have to choose What you win or lose You can't have everything Don't you take chances You might feel the pain Don't you love in vain 'Cause love won't set you free I could stand by the side And watch this life pass me by So unhappy But safe as could be So what if it hurts me? So what it I break down? So what if this world just throws me off the edge My feet run out of ground I gotta find my place I wanna hear my sound Don't care about all the pain in front of me I'm just trying to be happy I just wanna be happy, yeah Holding on tightly Just can't let it go Just trying to play my role Slowly disappear But all these days They feel like they're the same Just different faces Different names Get me out of here I can't stand by the side Ooh, no And watch this life pass me by Pass me by So what if it hurts me? So what if I break down? So what if this world just throws me off the edge? My feet run out of ground I gotta find my place I wanna hear my sound Don't care about all the pain in front of me I'm just trying to be happy Oh, happy Oh So many turns that I can't see Like I'm a stranger on this road But don't say victim

Don't say anything

So what if it hurts me?
So what if I break down?
So what if this world just throws me off the edge?
My feet run out of ground
I gotta find my place
I wanna hear my sound
Don't care about all the pain in front of me
I just wanna be happy
Happy
I just wanna be
Oh
I just wanna be
Happy
