Leonard Cohen

German puppets burnt the Jews Jewish puppets did not choose

Puppet vultures eat the dead Puppet corpses they are fed

Puppet winds and puppet waves Puppet sailors in their graves

Puppet flower
Puppet stem
Puppet Time

Puppet me and puppet you Puppet German Puppet Jew

Puppet presidents command puppet troops to burn the land

Puppet fire puppet flames feed on all the puppet names

Puppet lovers in their bliss turn away from all of this

Puppet reader shakes his head takes his puppet wife to bed

Puppet night comes down to say the epilogue to puppet day
