When it all went down And the pain came through I get it now I was there for you Don't ask me how I know it's true I get it now I was there for you I make my plans Like I always do But when I look back I was there for you I walk the streets Like I used to do And I freeze with fear But I'm there for you I see my life In full review It was never me It was always you You sent me here You sent me there Breaking things I can't repair Making objects Out of thoughts making more By thinking not Eating food And drinking wine A body that I thought was mine Dressed as Arab Dressed as Jew O mask of iron I was there for you Moods of glory Moods so foul The world comes through A bloody towel And death is old But it's always new I freeze with fear And I'm there for you I see it clear I always knew It was never me I was there for you I was there for you My darling one And by your law It all was done
