Leoniden

Lights, lights, turn off the lights!
Where no one sees the lies
Lies, turn off the lies!
It doesn't really matter what is left
Left, or what was right
Time to get addicted
Time to get addicted
Shut the lights!
And fill out all the space under the sky!

Anyone can see
The space beneath the sky-a-ay-a-ays
Insomniac alibis

Anyone can fill
The space beneath the sky-a-ay-a-ays
Insomniac alibis

Don't be shy
Don't rewind!
You are already focused
All of your goals are golden

No regrets, you need this
Your socks have been knit
Your shoes have been tied
Tied, everything's fine
You're dressed to fight
Fight, stop being tired!
(Stop being tired, cut all the wires.)
Stop, stop rubbing your eyes
Get yourself addicted
Get yourself addicted
Your shoes are tied
So fill up all the space under the sky!
(So fill up all the space under the sky)

Anyone can see
(Anyone can see)
The space beneath the sky-a-ay-a-ays
(The space beneath the sky-a-ay-a-ays)
Insomniac alibis
(Insomniac alibis)

Anyone can fill
(Anyone can fill)
The space beneath the sky-a-ay-a-ays
(The space beneath the sky-a-ay-a-ays)
Insomnia
(Insomniac alibis)

Anyone can fill
The space beneath the
Sky, sky pull out the sky
(Any one can feel, the space beneath...
Lies, lies, turn up those lies
... the sky-a-ay-a-ays)

Stop, stop, rubbing your eyes
(Insomniac alibis)

Anyone can fill
The space beneath the
Sky, sky pull out the sky
(Any one can feel, the space beneath...
Lies, lies, turn up those lies
... the sky-a-ay-a-ays)
Stop, stop, rubbing your eyes
(Insomniac alibis)
Get yourself addicted
