# Alone

**Leoniden**

Something makes me leave again
I've been locked up in a way that I don't understand
I've been chasing numbers, no mercy now
Feeling the best when I'm alone

Feeling the best when I'm alone

Something's wrong with that look in your eyes
Wasn't sure that's why I had to look twice
I'm still not cool with you
Feeling the best when I'm alone

Give me something, ah, ah
Give me something to rely on
Oh, Give me something to rely my feelings on
Mhmhm
Feeling quite alone, but I love the loneliness
Something makes me leave again
I've been locked up in a way that I don't understand
I've been chasing numbers, no mercy now
Feeling the best when I'm alone

Feeling the best when I'm alone

Something's wrong with that look in your eyes
Wasn't sure that's why I had to look twice
I'm still not cool with you
Feeling the best when I'm alone
Something's wrong with that look in your eyes
Wasn't sure that's why I had to look twice
I'm still not cool with you
Feeling the best when I'm alone

I am so close to breaking down
I need to get it all together
Get it together in my mind
And so you know
I am so close to breaking down for sure
I need to get it all together, in my mind, get it together in my mind

Feeling the best when I'm alone

Something's wrong with that look in your eyes
Wasn't sure that's why I had to look twice
I'm still not cool with you
Feeling the best when I'm alone
Something's wrong with that look in your eyes
Wasn't sure that's why I had to look twi-ice
I'm still not cool with you
