

I'm sorry that  
I threw the dice right in the trash  
Too scared of being out of luck again  
I'm sorry now  
I know I've bending all the truth a bit too far  
I'm scared that I deserve your love

After all, you must know it's neither A or B  
Rather a letter in between, I lost my head  
It's impossible to crack  
Can't you see there is nothing left to try  
Oh why the hell can't I decide what's wrong or right  
I'm helpless

I'm sorry that  
I threw the dice right in the trash  
Too scared of being out of luck again  
I'm sorry now  
I know I've bending all the truth a bit too far  
I'm scared that I deserve your love

I'm scared I don't deserve your love  
I'm scared I don't deserve your love  
I'm scared I don't deserve your love  
I'm scared I don't deserve your love

After all, you must know it's neither A or B  
Rather a letter in between, I lost my head  
It's impossible to crack  
Ey! (Ey!)  
Oh! (Oh!)  
Uh! (Uh!)  
And I don't wanna be lonely  
Really hoping  
We're love  
-less

I'm sorry that  
I threw the dice right in the trash  
Too scared of being out of luck again  
I'm sorry now  
I know I've bending all the truth a bit too far  
I'm scared that I deserve your love  
I'm sorry that  
I threw the dice right in the trash  
Too scared of being out of luck again  
I'm sorry now  
I know I've bending all the truth a bit too far  
I'm scared that I deserve your love
