

Doves

Leoniden

Ignore the hangman's call
Guillotine is cleaned indeed
But book-binders will never sleep
Nor for you nor for me
Hope is a concrete-dove, but hope is a dove

Ignore the hourglass
Your sand is running out
But putting it back is not allowed
Nor for you nor for me
Hope is a concrete-dove, but hope is a dove

Hope is a concrete-dove, but hope is a dove
Hope are the tracks for a train that never comes
Hope is a concrete-dove, but hope is a dove
Hope is houses for two if a coffin's for one

Beware the writer's words
When their meaning will be gone
We tried to tame them with our cages and names
If they are not said they are not heard
Hope is a concrete-dove, but hope is just a word

Hope is a concrete-dove, but hope is a dove
Hope is houses for two if a coffin's for one

Hope is a concrete-dove, but hope is a dove
Hope is a concrete-dove, but hope is a dove

Hope is a dove, hope is a dove
Hope is a dove, hope is a dove
Hope is a dove, hope is a dove
Hope is a dove, hope is a dove

Hope
Hope is a
Hope is a dove

Hope is a
Hope is a dove

Hope is a dove

Hope is a, hope is a dove
