

Never Never

Leoniden

I've got rain clouds on my mind
It must have ended while I was gone
Now I can see I don't conform to my friend's ideas
Of what a friend is for

Found these words up here in my treehouse
Underneath an emotional chaos
Found these words up here in my treehouse
Oh oh oh oh

And you never, you never, you never, you never, you never believed in me
But that's okay 'cause I wasn't sure myself
And you never, you never, you never, you never, you never believed in me
But never was never meant to be forever

What I don't know could fill books
Please help me build a library
Now I can see I don't conform to my father's idea
Of what a son should be

I've got a band-aid on my heart
And a 24/7 migraine
I don't conform to my own ideas
It's not easy to explain

Found these words up here in my treehouse
Underneath an emotional chaos
Found these words up here in my treehouse
Oh oh oh oh

And you never, you never, you never, you never, you never believed in me
But that's okay 'cause I wasn't sure myself
And you never, you never, you never, you never, you never believed in me
But never was never meant to be forever

I've got a band-aid on my heart
And a 24/7 migraine
I don't conform to my own ideas
It's not easy to explain

I've got a band-aid on my heart
And a 24/7 migraine
I don't conform to my own ideas
It's not easy to explain

And you never, you never, you never, you never, you never
You never, you never, you never, you never, you never
Never, you never, you never, you never, you never believed
But that's okay 'cause I wasn't sure myself, oh yeah
Oh that you never, you never, you never, you never, you never believed in me
But never was never meant to be forever
