

Paranoid

Leoniden

Uh-

Uh-

Uh-

Oh, just need this feeling that you know
Or give me two minutes of your hope, ey
'Cause I lost my trust
'Cause I lost my trust in you
Oh

Please tell me that I'm paranoid
I'm scared that we're still stuck on repeat
Am I just paranoid?
Tell me there is more to believe in

Uh-

Uh-

Uh-

Oh, just need this feeling that I used to know
Or give me two minutes of your hope, ey
You will get used to
You will get used to
You will get used to
To every feeling you have known
You will get used to
You will get used to
You will get used to
To every feeling you have known

Please tell me that I'm paranoid
I'm scared that we're still stuck on repeat
Am I just paranoid?
Tell me there is more to believe in

Oh

Gimme a sign

Can't you see that I'm waiting?

Been waiting for months

Go on and break my heart, break my heart

Gimme a sign

Can't you see that I'm waiting?

Been waiting for months

Go on and break my heart

Just tell me there is something to believe in, oh

(Uh-)
