

Without Me

Leoniden

Guess who's back, back again
Shady's back, tell a friend
Guess who's back
Guess who's back
Guess who's back
Guess who's back
Guess who's back
Guess who's back
Guess who's back

I've created a monster
'Cause nobody wants to see Marshall no more
They want Shady I'm chopped liver
Well if you want Shady, this is what I'll give ya
A little bit of weed mixed with some hard liquor
Some vodka that'll jump-start my heart
Quicker than a shock
When I get shocked at the hospital by the doctor
When I'm not cooperating
When I'm rocking the table while he's operating (hey!)

You waited this long now stop debating
'Cause I'm back I'm on the rag and ovulating
I know that you got a job Ms. Cheney
But your husband's heart problem's complicating

So the FCC won't let me be
Or let me be me so let me see
They try to shut me down on MTV
But it feels so empty without me

This looks like a job for me so everybody just follow me
'Cause we need a little controversy
'Cause it feels so empty without me

This looks like a job for me so everybody just follow me
'Cause we need a little controversy
'Cause it feels so empty

Little hellions kids feeling rebellious
Embarrassed, their parents still listen to Elvis
They start feeling like prisoners, helpless
'Til someone comes along on a mission and yells (bitch)

A visionary, vision is scary
Could start a revolution
Polluting the air waves a rebel
So just let me revel and bask
In the fact that I got everyone kissing my ass
And it's a disaster
Such a catastrophe for you to see so damn much of my ass
You ask for me?

I'm back
Fix your bent antennae
Tune it in and then I'm gonna enter in
And up under your skin like a splinter

The center of attention back for the winter

I'm interesting, the best thing since wrestling
Infesting in your kid's ears and nesting
Testing attention please
Feel the tension soon as someone mentions me
Here's my 10 cents my 2 cents is free
A nuisance, who sent, you sent for me?

This looks like a job for me so everybody just follow me
'Cause we need a little controversy
'Cause it feels so empty without me

This looks like a job for me so everybody just follow me
'Cause we need a little controversy
'Cause it feels so empty
