Devil's Cup

Leony

Said it once, now I'll say it twice
Wanna play with fire, gotta roll the dice
Take my hand, come and lift me up
Wanna take a sip from the devil's cup
Told you don't too many times
Gotta slide to read between the lines
Said it once, now I'll say it twice
Wanna play with fire, gotta roll the dice

(Said it once, now I'll say it twice)
(Take my hand, come and lift me up)
(Told you don't too many times)
(Said it once, now I'll say it twice)
Wanna play with fire, gotta roll the dice
