

Pieces

Leony

I'll be falling down
You be watching by my side, by my side
I just need a helping hand
I just need you in my life, in my life

Clouds keep turning black
Baby, please just call me back
You keep living in my mind
Feel your soul inside, yeah, inside

Falling into pieces, I'm so alone
Falling into pieces, I'm so alone
I'm so alone

I'm so alone
Falling into pieces, I'm so alone
Falling into pieces, I'm so alone
I'm so alone
Falling into pieces, I'm so alone
Falling into pieces, I'm so alone

Clouds keep turning black
Baby, please just call me back
You keep living in my mind
Feel your soul inside, yeah, inside

Falling into pieces, I'm so alone
Falling into pieces, I'm so alone
I'm so alone

Falling into pieces, I'm so alone
Falling into pieces, I'm so alone
