

Raindrops (Intl. Version)

Leony

Raindrops on my window pane
But nothing takes the pain away
Blood is pumping through my veins
For I will never feel the same

Worst thing 'bout a breaking heart
One you loved ripped it apart
Raindrops on my window pane
But nothing takes the pain away

Every time I hear my phone ring
I'm afraid it might be you
And I don't know why you're still calling
I see your name out of the blue

It's like every time you broke my heart
I heard the pieces fall apart
Raindrops on my window pane
You make moving on too hard, yeah

Raindrops on my window pane
But nothing takes the pain away
Blood is pumping through my veins
For I will never feel the same

Worst thing 'bout a breaking heart
One you loved ripped it apart
Raindrops on my window pane
But nothing takes the pain away

All those years went by
And you never cared about me
Doesn't matter now
You see my face all over Berlin

And now I can hear your breaking heart
I should've known right from the start
Raindrops on my window pane
Moving on for you is hard, yeah

Raindrops on my window pane
But nothing takes the pain away
Blood is pumping through my veins
But I will never feel the same

Worst thing 'bout a breaking heart
One you loved ripped it apart
Raindrops on my window pane
But nothing takes the pain away

I don't know why
I don't know why
You said goodbye
You said goodbye

You make me cry
Why you make me cry?

I don't know why
I don't know why
