

# Simple Life

Leony

Don't make me fall in love  
And don't call me up because  
I'm all good, got my feelings turned off  
Yes, I thought about  
The kids, the ring and the house  
Gotta stop or you'll turn my life around

And I go uuuh-uuuh-uh  
How I hate the way you smile  
Makes me want to call you mine  
Can I move in with you tonight?  
And I go uuuh-uuuh-uh  
How I hate the way you smile  
'Cause it melts the ice around my simple life

Don't even know how  
Myself that's what my life's about  
Your green eyes make me weak, I'm having doubts

And I go uuuh-uuuh-uh  
How I hate the way you smile  
Makes me want to call you mine  
Can I move in with you tonight?  
And I go uuuh-uuuh-uh  
How I hate the way you smile  
'Cause it melts the ice around my simple life

And I go uuuh-uuuh-uh  
How I hate the way you smile  
Makes me want to call you mine  
Can I move in with you tonight?  
And I go uuuh-uuuh-uh  
How I hate the way you smile  
'Cause it melts the ice around my simple life

Don't make me fall in love  
And don't call me up because  
I'm all good, got my feelings turned off

And I go uuuh-uuuh-uh  
How I hate the way you smile  
Makes me want to call you mine  
Can I move in with you tonight?  
And I go uuuh-uuuh-uh  
How I hate the way you smile  
'Cause it melts the ice around my simple life

And I go uuuh-uuuh-uh  
How I hate the way you smile  
Makes me want to call you mine  
Can I move in with you tonight?  
And I go uuuh-uuuh-uh  
How I hate the way you smile  
'Cause it melts the ice around my simple life

Makes me want to call you mine, uuuh-uuuh-uh-uh

'Cause it melts the ice around my simple life
