

# Waking Up

Leony

Wakin' up  
Feelings like my liquor bottled up  
It's 10 AM, don't think I can get up  
I need to get on top of all this stuff

Want to know what's on my mind  
It's like an empty space, got tired eyes  
Oh-oh, day and night  
Oh, day and night  
Want to know what's on my mind  
It's like an empty space, got tired eyes  
Oh-oh, day and night  
Oh, day and night

Wakin' up  
My eyes are closed, need coffee in my cup  
It's 1 PM, don't think I can get up  
I need to get on top of all this stuff

Want to know what's on my mind  
It's like an empty space, got tired eyes  
Oh-oh, day and night  
Oh, day and night  
Want to know what's on my mind  
It's like an empty space, got tired eyes  
Oh-oh, day and night  
Oh, day and night

Wakin' up  
Wakin' up  
Wakin' up

Want to know what's on my mind  
It's like an empty space, got tired eyes  
Oh-oh, day and night  
Oh, day and night  
Want to know what's on my mind  
It's like an empty space, got tired eyes  
Oh-oh, day and night  
Oh, day and night
