

## Working Title

Leony

The highest mountain, the deepest sea  
The wildest storms they, couldn't keep me away, keep me away from you

The longest distance, the hardest road  
I'm feeling tired, but I'm holding on, yeah I'm holding on

I, I hope someday we'll break the silence  
'Cause what we have, I know is timeless  
I see the sun on the horizon  
And I know I, I hear the sound of the sirens  
You got me feeling like a giant  
'Cause when I look into your eyes, I can barely see the light

(I, I hope someday we'll break the silence  
'Cause what we have, I know is timeless  
I see the sun on the horizon  
And I know I, I hear the sound of the sirens  
You got me feeling like a giant  
'Cause when I look into your eyes, I can barely see the light)

I know that someday, after the pain  
We'll be together, nothing keeps me away, keeps me away from you  
Just keep on fighting, we'll make it through  
'Cause all the hurting, it brought me to you, yeah brought me to you

I, I hope someday we'll break the silence  
'Cause what we have, I know is timeless  
I see the sun on the horizon  
And I know I, I hear the sound of the sirens  
You got me feeling like a giant  
'Cause when I look into your eyes, I can barely see the light

(I, I hope someday we'll break the silence  
'Cause what we have, I know is timeless  
I see the sun on the horizon  
And I know I, I hear the sound of the sirens  
You got me feeling like a giant  
'Cause when I look into your eyes, I can barely see the light)

(I, I hope someday we'll break the silence  
'Cause what we have, I know is timeless  
I see the sun on the horizon  
And I know I, I hear the sound of the sirens  
You got me feeling like a giant  
'Cause when I look into your eyes, I can barely see the light)
