

## Captive

Leprous

Taken  
My limitations  
To enable  
All my temptations

Unchained  
From my creation  
Nothing precious  
Without fixation

Deny  
Kept in chains  
Fly  
Run away

Leashes leaving me conscious  
While I'm searching  
In the distance

Focus  
Keeping me captive  
So I don't get lost

With chains on my back  
I fly

Deny  
Kept in chains  
Fly  
Run away

Deny  
Kept in chains  
Fly  
Run away
