

Coma

Leprous

Realize
No way out
Days I can't be without
One solution
Make it count
Stand behind the
Silent shout

Feel the heat
No retreat
Feel the heat
No retreat
Feel the coma
Coma

Memories
There to find
Bent pictures in your mind
Fiery tail
Burning hope
Tainted desire
Unable to steer
A comet on fire

Feel the heat
No retreat
Feel the heat
No retreat
Feel the heat
No retreat
Feel the heat
