

Faceless

Leptous

Leave now before the eruption unfolds
Time to move on
Creatures made an illusion of me
Leave now, let me be
Faithless, like an abomination
Possessed arrogance
Praises forming a demon in me
Tainted, left behind

All the circles moving away
I've been faceless for so long
Spaces left from the past
Won't let me go

And I will never go alone, never go alone
Never go alone, never go alone
Never go alone, never go alone
Never the unknown, never the unknown
Never the unknown, never the unknown
Never go alone, never go alone
Never go alone
Can I be unforgiven?

I'm not the faceless now
I wanna get it out, get it out, get it out
I'm not the faceless now
And I can never let it go
I'm not the faceless now
I wanna get it out, get it out, get it out
I'm not the faceless now
And you don't wanna know
Oh, none to praise me now
And I'm falling out, falling out, falling out
I'm not the faceless now
In the middle of the night

Fiction in a meaningless existence
I'm incompatible
Nowhere to look for help anymore
Leave me alone
Feel the void around me
It burns when I look inside me
Alone, just like I was

Faces turning away
Traces letting go
I'm feeling crazy, here by myself
I am faceless, left alone

And I will never go alone, never go alone
Never go alone, never go alone
Never the unknown, never the unknown
Never the unknown, never the unknown
I'll never go alone, never go alone
Never the unknown, never the unknown
Never go alone
Never the unknown

Oh, I'll never go alone, never go alone
Never go alone, never go alone
I'll never go alone, never go alone
Never the unknown, never the unknown
I'll never go alone, never go alone
Never go alone, never go alone
Never go alone
(Can I be unforgiven?)
Never go alone

I'll never go alone, never go alone
Never go alone, never go alone
Never go alone, never go alone
Never the unknown, never the unknown
Never the unknown, never go alone
Never go alone
(Can I be unforgiven?)
Never go alone

Never go alone, never go alone
(Can I be, can I be, can I be, can I be unforgiven?)
Never the unknown, never the unknown
Never go alone, never go alone
(Though I never, never give in)
Never the unknown, never the unknown
Never go alone, never go alone
(Never go alone, never go alone)

Never go alone, never go alone
Never the unknown, never the unknown
Never go alone, never go alone
Never the unknown, never the unknown
Never go alone, never go alone
Never go alone, never go alone
Never the unknown, never the unknown
Never go alone, never go alone
Never the unknown, never the unknown
Never go alone, never go alone
