

# The Last Milestone

Leprous

A heart in dissolution  
The defeat is taking form  
Reaching the turning point  
A desperate call

It's approaching  
Falling  
It's near  
The last milestone  
Crawling  
It's here

Isolated  
Dancing the last dance

It's approaching  
Far beyond  
The last milestone  
Reaching the last floor

It's approaching  
Far beyond  
The last milestone  
Reaching the last floor
