

Triumphant

Leprous

Walls
Keeping me captive
Senses
Shutting me down

Reaching
For an emotion
Breaching
The walls of my town

Tempting
Simple depression
Attempting
To save my belief

Forceful
Sudden rebellion
Remorseful
Subliminal grief

Stay
Fight
Triumph once more
Betray
Tonight
An end of this war

Outcast
Bound to surrender
Outlasting
Those who prevail

Feeling
Nothing is over
Revealing
My secret tale
