

## Happy Ever After

Lera Lynn

This morn I woke in my  
Hat and my coat and I  
Picked up the phone to call you  
But I hung up soon  
Before you even knew  
Thinking someone else could be beside you

You can run, you can hide  
You can save it all inside  
Sooner than later it'll find you  
Yes and maybe it has  
Somewhere in the past  
But somehow it still slipped by you  
Oh it slipped by you  
Oh it slipped by you

Well it's not your fault  
I pushed you to walk  
Straight into the forest of disaster  
With a blindfold on  
Singing you a song of  
Innocence and happy ever after

Well I run and I hide  
And I save it all inside  
But I know that soon it'll find me  
Yes and maybe it has  
Somewhere in the past  
But somehow it still slipped by me  
Oh it slipped by me  
Oh it slipped by me
