

It Doesn't Matter

Lera Lynn

Don't waste your time
Tryin' to ride the line
You're not so different from everyone else
We're all sailing in a fog on a sea of rat race hell

I don't waste my time anymore
Tryin' to bait the line cause what for?
Some days I do nothing at all
Close up the blinds, smoke weed and screen all of my calls

Cause, it doesn't matter, it doesn't matter
It doesn't matter, it doesn't matter at all

Somehow we've all come to believe that we
Need so much more than we really need
And yes, I know that you've heard it all before
But some days you need to hear it some more

It doesn't matter, it doesn't matter
It doesn't matter, it doesn't matter
I doubt it matters at all, it doesn't matter at all

And meanwhile, sweet fruit left behind
Passing off the reins of your own mind

But it doesn't matter, it doesn't matter
It doesn't matter, it doesn't matter
It doesn't matter no, I doubt it matters at all
