

# Be Alright

Leroy Sanchez

Flying high, running low, take a chance, don't let it go  
I shoulda know it gets hard baby, now I feel like I'm going crazy

What a mess, what a night, nothing seems to work alright  
Sometimes we all lose track, take a breath don't look back  
No nothing can hurt me when I'm by your side

We gon' be alright (we gon' be alright, we gon' be alright)  
We gon' be alright (we gon' be alright, we gon' be alright)  
Everything is fine (we gon' be alright, we gon' be alright)  
Oh, we gon' be alright (we gon' be alright, we gon' be alright)

Shit, I just turned twenty-five  
Still don't know, what I'm doing with my life  
My friends have it all figured out, and I'm like what's this all about  
I thank God everyday, that I found you on my way  
Let's run away don't look back, as long as we stay together it's fine, diving into the night

We gon' be alright (we gon' be alright, we gon' be alright)  
We gon' be alright (we gon' be alright, we gon' be alright)  
Everything is fine (we gon' be alright, we gon' be alright)  
Yeah, we gon' be alright (we gon' be alright, we gon' be alright)  
We gon' be alright, yeah

And when you feel like everything's too much, yeah  
Just close your eyes and fly so high, and know that I'll be looking up  
If you ever feel like crying sing, don't you worry about a thing, no no  
So just sit back, enjoy the ride, I'll be right there by your side  
And everything's gon' be alright, be alright

We gon' be alright, yeah  
We gon' be alright, we gon' be alright  
We gon' be alright, we gon' be alright

We gonna be alright...  
We gon' be alright (we gon' be alright, we gon' be alright)  
We gon' be alright (we gon' be alright, we gon' be alright)  
Everything is fine (we gon' be alright, we gon' be alright)  
Yeah, we gon' be alright (we gon' be alright, we gon' be alright)  
We gon' be, we gon' be, we gon' be alright  
We gon' be alright, don't you worry baby, we gon' be alright

Don't you worry about a thing, don't you worry about a thing
