

# Dear No One

Leroy Sanchez

I like being independent  
Not so much of an investment  
No one to tell me what to do  
I like being by myself  
Don't gotta entertain anybody else  
No one to answer to

But sometimes, I just want somebody to hold  
Someone to give me their jacket when its cold  
Got that young love even when we're old  
Yeah, sometimes, I wish that I can grab your hand  
Bring you up, pull you close, be your man  
I will love you till the end

So if you're out there I swear to be good to you  
But I'm done lookin', for my future someone  
Cause when the time is right  
You'll be here, but for now  
Dear, no one, this is your love song

I don't really like big crowds  
I tend to shut people out  
I like my space, yeah  
But I'd love to have a soul mate  
God will give it to me someday  
And I know it'll be worth the wait

So, if you're out there, I swear to be good to you  
But I'm done lookin', for my future someone  
Cause when the time is right  
You'll be here, but, for now  
Dear, no one, this is your love song

Sometimes, I just want somebody to hold  
Someone to give me their jacket when its cold  
Got that young love even when we're old  
Yeah sometimes, I wish that I can grab your hand  
Bring you up, pull you close, be your man  
I will love you till the end

So if you're out there I swear to be good to you  
I'm done lookin', yeah yeah  
Right you be here, but, for now  
Dear, no one, this is your love song

No need to be searching, no no  
Dear, no one...  
Dear, no one, this is your love song
