

Drivers License

Leroy Sanchez

I got my driver's license last week
Just like we always talked about
'Cause you were so excited for me

To finally drive up to your house
But today I drove through the suburbs
Crying 'cause you weren't around

And you're probably with that blonde guy
Who always made me doubt
He's more successful than me
He's everything I'm insecure about
Yeah, today I drove through the suburbs
'Cause how could I ever love someone else?

And I know we weren't perfect, but I've never felt this way for no one
And I just can't imagine how you could be so okay now that I'm gone
I guess you didn't mean what you wrote in that song about me
'Cause you said forever, now I drive alone past your street

And all my friends are tired
Of hearing how much I miss you, but
I kinda feel sorry for them
'Cause they'll never know you the way that I do
Yeah, today I drove through the suburbs
And pictured I was driving home to you

And I know we weren't perfect, but I've never felt this way for no one
And I just can't imagine how you could be so okay now that I'm gone
I guess you didn't mean what you wrote in that song about me
'Cause you said forever, now I drive alone past your street

Red lights, stop signs
I still see your face in the white cars, front yards
Can't drive past the places we used to go to
'Cause I still fucking love you, babe
You, babe

Sidewalks we crossed
I still hear your voice in the traffic
We're laughing over all the noise
God, I'm so blue, know we're through
But I still fucking love you, babe, ooh

I know we weren't perfect, but I've never felt this way for no one
And I just can't imagine how you could be so okay now that I'm gone
Guess you didn't mean what you wrote in that song about me
'Cause you said forever, now I drive alone past your street
