

Happiness Is Just Around The Corner

Lesley Gore

Happiness is just around the corner
Cause I know any day now
He's gonna smile at me
And say hello
He look into my eyes
And then he'll know
Just to bet I wanna love him so
Oh yeah, yeah, yeah, yeah

Happiness is just around the corner
Just a few short steps now
I'm gonna say goodbye
To lonely nights
Cause I'll have his arms
To hold me tight
We'll be living in paradise oh, yeah

Maybetonight will be the night
When my lucky star will shine
Or maybe Monday, Monday
I'm gonna make him mine
Oh, mine

Oh, pretty soon the chapel
Bells will chime
He'll be by myside and he's mine
We'll be happy 'till the end of time
Oh, yeah, oh, yeah

He's gonna smile at me
And say hello
He'll look into my eyes
And then he'll know
Ah, just to bet I wanna love him so
Oh, yeah, oh, yeah

I'm gonna say goodbye
To lonely nights
Cause I'll have his arms
To hold me tight
We'll be living in paradise oh, yeah
Oh, woah, yeah

Oh, pretty soon the chapel
Bells will chime
He'll be by myside and say he's mine
We'll be happy 'till the end of time
Oh, yeah, oh, yeah
