

# Summer And Sandy

Lesley Gore

Oh what a day to take a ride, my baby's by my side  
Top down, beach bound  
Music on the radio that makes you wanna go  
Sky high, my guy  
Picks me up and makes my world aglow  
You oughta know  
[VERSE 1]  
Sandy, summer and Sandy  
No rainy days (no rainy days)  
All summer long  
Coming on strong with  
[VERSE 2]  
Sandy, summer and Sandy  
Breaking away (breaking away)  
Grooving along  
With summer and Sandy (Sandy, Sandy, Sandy)  
Salty air and harbor lights and lazy summer nights  
Boardwalk, small talk  
And gazing into Sandy's eyes and stars up in the skies  
My love, I love  
Everything about him that I see  
And he loves me  
[Repeat VERSE 1]  
[Repeat VERSE 2]  
Oohhh, oh baby, ooohh  
Sandy, I love him, I love him  
Sandy, oooh I love him, I love him  
[FADE]
