

# Hang On

Lesley Roy

It's been a long time coming in  
I've been pushing and pulling this dream apart  
And you're still next to me  
We've been broke about a million times  
Always sinking and swimming in highs and lows  
And you're still never near

I can feel, I can feel  
That I'm getting close  
Something real, something real  
That I want for us  
All I need, all I need is for you to say to me

Just hang on  
Oh oh oh oh oh  
Oh oh oh oh oh  
Hang on  
Oh oh oh oh  
Hey yeah yeah yeah  
Hang on  
Oh oh oh oh oh  
Oh oh oh oh oh  
Hang on  
Oh oh oh oh  
Hey yeah yeah yeah  
Hang on

When everyday is like a battlefield  
And I really wanna wave my flag in the sky  
You'll come rescue me  
And give me one last reason why  
You can see the finish line and I can't  
You are killing me

I can feel, I can feel  
That I'm getting close  
Something real, something real  
That I want for us  
All I need, all I need is for you to say to me

Just hang on  
Oh oh oh oh oh  
Oh oh oh oh oh  
Hang on  
Oh oh oh oh  
Hey yeah yeah yeah  
Hang on  
Oh oh oh oh oh  
Oh oh oh oh oh  
Hang on  
Oh oh oh oh  
Hey yeah yeah yeah  
Hang on

Hold my head high  
Oh oh  
And nothing's died

Oh oh  
Hold my head high  
Oh oh  
And nothing's died  
Oh oh

I can feel, I can feel  
That I'm getting close  
Something real, something real  
That I want for us  
All I need, all I need is for you to say to me

Just hang on  
Oh oh oh oh oh  
Oh oh oh oh oh  
Hang on  
Oh oh oh oh  
Hey yeah yeah yeah  
Hang on  
Oh oh oh oh oh  
Oh oh oh oh oh  
Hang on  
Oh oh oh oh  
Hey yeah yeah yeah  
Hang on
