

# I'm Gone, I'm Going

Lesley Roy

So sick of hearing your words  
all I can hear you say  
is how you want me to live  
my life a different way  
I'm gonna pack up my things  
I'm gonna do it just  
watch me, watch me

I'm like a rat in a cage  
about to lose it all  
and I ain't gonna give up until I'm standing tall  
I'm gonna throw it all in  
just get it over with  
watch me, watch me

Cuz life is way too short  
and I cant wait no more

Here I go  
I'm gone, I'm going  
I'm so over you, and I don't care  
and I wont go back  
cuz I know if I do, I wont make it  
forgive me, I cant take it anymore

So sick of falling apart and crawling back again  
so sick of playing the games that I can never win  
I really had it, just so so sick of it  
watch me, just watch me

Cuz life is just way too short  
and I cant wait anymore

Here I go  
I'm gone, I'm going  
I'm so over you, and I dont care  
and I wont go back  
cuz I know if I do, I wont make it  
forgive me, I cant take it anymore

I wont look back  
I wont look back no more  
Hey

So here I go,  
I'm gone, I'm going  
I'm so over you, and I dont care  
and I wont go back  
cuz I know if I do, I wont make it  
forgive me, I cant take it anymore
