Girl With A Gun

Leslie Clio

Bambam di di di bambam didididi bambam dididi bam

I've been lost for a long time
I've been gone for a long time
Stayed sick for a long time
Then I prayed for a long time
Just stood in the wrong line
So sick of the tough times
I had to decide to

Sail on, sail on
Got to give it all up
Sail on, sail on
No one, no one's gonna tell you how to
Move on, move on
Except the girl with a gun

Bambam di di di bambam didididi bambam dididi bam
Except the girl with a gun
Bambam di di di bambam didididi bambam dididi bam
Except the girl with a gun
(Sail on, sail on)

And so I'm doing that no more
You'll do wrong to me no more
It would be bad for you for sure
I'll be good to you no more
Sick and tired of you for sure
Where there's from there's a lot more
And you should probably

Sail on, sail on
Got to give it all up
Sail on, sail on
No one, no one's gonna tell you how to
Move on, move on
Except the girl with a gun

Bambam di di di bambam didididi bambam dididi bam
Except the girl with a gun
Bambam di di di bambam didididi bambam dididi bam
Except the girl with a gun

(Die Freiheit ruft, die Freiheit ruft
Hab nur ein Leben, ein Leben nur)
Except the girl with a gun
Bambam di di di bambam didididi bambam dididi bam
Bambam di di di bambam didididi bambam dididi bam
Except the girl with a gun
 (Die Freiheit ruft, die Freiheit ruft
Hab nur ein Leben, ein Leben nur)
Bambam di di di bambam didididi bambam dididi bam
Except the girl with a gun
Bambam di di di bambam didididi bambam dididi bam
Except the girl with a gun

Bambam di di di bambam didididi bambam dididi bam
Except the girl with a gun
