

# We Used To Love

Leslie Clio

Dum, dum, dum, dum-dum  
Dum, dum, dum, dum-de-dum  
Mm, de-de-dum, dum, dum, dum, dum  
De-de-dum, dum, dum, dum-dum

This is the day we said would never come  
We're walking away  
But may the bridges we burn  
Light the way  
If we meant the things we preached on lightly, why  
Is it ending so bad?  
May the bridges we burn  
Light the path

Don't, don't, don't  
Don't you know me better than that?  
Maybe we don't, don't, don't  
We just don't know no better than that

We used to love one another  
We used to love never saying how it hurts us  
We used to love like no other  
But it's gone, oh

Dum, dum, dum, dum-dum  
Dum, dum, dum, dum-de-dum  
De-de-dum, dum, dum, dum, dum  
De-de-dum, dum, dum, dum-dum

Why won't you come see me now?  
I've never been so down  
Now, would that be so bad? (So bad, so bad)  
Can we just pretend, we've did so wrong  
And just have it all back? (Back)

Don't, don't, don't  
Don't you know me better than that?  
Maybe we don't, don't, don't  
We just don't know no better than that

We used to love one another  
We used to love never saying how it hurts us  
We used to love like no other  
But it's gone, oh  
We used to love one another (Love, love)  
We used to love never saying how it hurts us  
We used to love like no other (Love, love)  
But it's gone, oh (Oh, we used to love)

Dum, dum, dum, dum-dum (Love, love, oh-oh, dum, dum, dum, dum-de-dum)  
Oh, we used to love
