

Day 1

Leslie Grace

Nunca pense enamorarme asi
de los pies a la cabeza
had me feeling like a little girl in a fairy tale
como un cuento de princesa

Nunca pense jamas amar asi y apareciste tu
hasn't been too long i've been with u
but I think we got a situation

Deje mi alma navegar mi miedo descanso
quisiste conquistar y al escuchar tu voz
sabia que eras tu y yo,
yo no habia sentido nada igual
me robaste el corazon

from day one, day one, day one
yeah you really had my heart from day one
day one, day one, me robaste el corazon from day one

ya aleno amarte, ayudarte y aroparte con mi luz
yes ive been through a few
but no one did things like you do
el verdadero amor no sabe de dolor
me lo enseñaste asi

Nunca pense jamas amar asi y apareciste tu
hasn't been too long i've been with u
but I think we got a situation

Deje mi alma navegar mi miedo descanso
quisiste conquistar y al escuchar tu voz
sabia que eras tu y yo,
yo no habia sentido nada igual
me robaste el corazon

from day one, day one, day one
yeah you really had my heart from day one
day one, day one, me robaste el corazon from day one

yes you had me, had me from day one,
yes you had me, had me from day one
day one, day one, day one, day one
yeah you really had my heart from day one
