

# Freedom

Leslie Odom Jr.

(Hey, yeah)  
Da-dum, da-dum  
Hey, yeah

(Hey) Drag me 'cross the universe  
(Yeah) Holdin' on for time  
(Hey) Telling me it wouldn't hurt, yeah  
(Yeah) Your design

(Hey) I am by your riverside  
(Yeah) Oh, but you know  
(Hey) I'm blind to ya  
(Yeah) Don't swim good, I drown every time

(Hey) Yeah, but I'm out here, here, here, here  
(Yeah) Show you I don't, don't, don't, don't, don't, don't have  
no fear  
(Hey) And wanna be in your care  
(Yeah) Anywhere

You feel just like freedom, yeah (Freedom, yeah)  
You feel just like freedom, yeah  
And I want you close to me now  
Before it's over

Even though it is over  
I want you to know that  
I'd do it all over  
I'd do it all over  
Love you all over  
I'd do it again
