

I Surrender

Leslie Odom Jr.

I make plans and heaven laughs again
They crumble and fall apart
I try so hard, lose before I start
I'll never win
With this stubborn heart of mine

So, I give up
Oh, I surrender
Let's do it your way now
I give up
And I surrender
Let's do it your way now

Stubborn still digging in my heels
Built a wall and watched it fall to dust
I'll yield forever to your will
You're sovereign and you've earned my trust

Oh, I give up
Oh, I surrender
Let's do it your way now
Oh, I acquiesce
And I surrender
Let's do it your way now

Let's do it your way now
