

Look For The Silver Lining

Leslie Odom Jr.

Look for the silver lining
When e'er clouds appear in the blue
Remember somewhere the sun is shining
And so the right thing to do
Is make it shine for you

A heart, full of joy and gladness
Will always banish sadness and strife
So always look for the silver lining
And try to find the sunny side of life

A heart, full of joy and gladness
Will always banish sadness and strife
So always look for the silver lining
And try to find the sunny side of life

Please don't be offended if I preach to you awhile
(Just look for the silver lining)
Tears are out of place in eyes that were meant to smile
(Just look for the silver lining)
There's a way to make your very biggest troubles small
(Just look for the silver lining. The silver lining)
Here's the happy secret of it all
(Just look for the silver lining. Oooh look! Look! The silver lining!)
(Look! Look! Oooh, look!)
